I love to collaborate with authors to create compelling content that will inspire their readers.

I believe each author is unique and part of my responsibility is to capture their voice so the result is not just excellent writing, but excellent writing that feels authentic to the author.

It's been my honor to partner with authors including Craig Groeschel, Kyle Idleman and J.P. Pokluda, and I look forward to collaborating with others in the future.

- *The Always God*, Jarrett Stephens (June 2021)
5 out of 5 stars on Amazon.
“I loved working with Vince. From start to finish, Vince treated my project as his own. He provided coaching and encouragement throughout the writing process and constantly pushed me to make my work better. Efficient. Challenging. Creative. Humorous. These are just some of the words I would use to describe what Vince brings to the table. Being a pastor himself, he understands how to communicate biblical truth in a way that is clear and easy for readers to understand. What I appreciated about him most was his desire to capture my heart and voice. I look forward to working with him on future projects and can’t recommend him highly enough.” Jarrett Stephens
- *Outrageous Obedience*, Rachelle Starr (comes out November, 2022)
“Vince crafts words in a way that brings stories to life. Not only did he take time to help me find my voice, but he has a gift to write with my voice that was effortless. He encouraged me to think deeply about the stories, events and biblical application of my book. *Outrageous Obedience* wouldn't be here today without the inspiration and skill Vince brought to my book. I loved working with him and recommend anyone to utilize Vince's God given gift of writing and storytelling to bring your story to life!” Rachelle Starr

Worked with the author to improve manuscript by adding humor and compelling stories and illustrations.
4.5 out of 5 stars on Amazon.
“Vince Antonucci is one of the most gifted writers I know. In fact, I asked Vince to do a final review of my book, *It—How Church Leaders Can Get it and Keep it*. With just one pass through the manuscript, he strengthened it with humor, with cultural applications, and with general suggestions to the writing style. Vince is a biblically grounded, culturally engaged, and all-around great guy. If you are looking for help on a writing project, give him a shot.” Craig Groeschel
